She's amazing, willing to help and provided really useful feedback.

Very nice, helpful, and responsible ! Give student insightful and detailed feedback in time. I am very glad to have Hyewon as our TA.

10 What suggestions for improvement do you have for this student in their capacity as a teaching assistant?

To push Doug to be more organized (I guess this also comes with experience, and this is why Cornell should favor having the same TA-course pairs for many years...)
